By signing this form, I _____ agree that I have instructed TJM 4x4 MEGASTORE _____ staff to carry out non-standard work on the above mentioned products. I have been fully made aware of the damages and effects that this may cause to my vehicle and I will be responsible for any of those which are directly caused by the deviation. I am aware that any non-standard work voids any warranty which applies, due to the products not being installed as per installation instructions and the standards set within them.
